SUMMARY

Recent Computer Programming graduate with experience in building responsive websites and web applications. Proficient in Node.js, MongoDB, React, and frontend technologies, with a focus on creating efficient and user-friendly solutions. Eager to apply my skills in real-world projects and contribute to innovative teams.

PROJECT EXPERIENCE

Nepal - Real Heaven

Lead Developer

- Developed a fully responsive website using HTML, CSS, and Flexbox, ensuring seamless user experience across devices.
- Implemented clean and minimalist design principles to create a visually appealing interface while optimizing load times.
- Showcased the beauty of Nepal's landscapes through engaging, well-organized content and optimized media elements.
- Utilized modern web standards to ensure fast loading times and improved performance for all visitors.
- Deployed the website on Netlify

The Hiring Hub

Lead Developer

- Built a recruitment platform using Node.js and MongoDB, streamlining talent acquisition for community sponsored project.
- Integrated shortlisting features, reducing manual effort in the candidate selection process.
- Designed and developed user-friendly dashboards for HR teams and candidates, enabling efficient job postings and application tracking.
- Implemented automated onboarding processes, improving operational efficiency and enhancing the candidate's experience.
- Collaborated on the development of key features like performance tracking and job sourcing using RESTful APIs.

SKILLS

Frontend: HTML, CSS, JavaScript, TypeScript, React, Milligram, Bootstrap

Backend: Node.js, Express, RESTful APIs

Database: MongoDB, Mongoose, SQL

Other: Git, GitHub, Jest, Unit Testing, Integration Testing, Test Driven Development,, Object-Oriented Programming, Problem Solving, Optimization Techniques

EDUCATION

Niagara College Toronto

Computer Programming

Toronto, Ontario

Graduation Date: Dec 2024

CERTIFICATES

Coding with Mosh:

The Complete Node.js Course

The Ultimate TypeScript Course

The Ultimate Git Course

React 18: Beginners & Intermediate Topics

Ultimate JavaScript: Fundamentals and Advanced Topics

The Ultimate HTML & CSS Series
